

Financial Policy for Cosmetic Dermatology Services

Thank you for choosing BVMA for your cosmetic dermatology needs. We are committed to building a successful provider-patient relationship with you; and your clear understanding of our Financial Policy for Cosmetic Dermatology Services is important to our professional relationship.

Cosmetic Services are Not Billed to Insurance Companies

Patients are financially responsible for all cosmetic procedures *before or at the time of service*. BVMA does not bill insurance companies for cosmetic procedures.

Payment Forms

We accept cash, check, VISA, MasterCard, Discover and American Express. We will not accept your check if any previous check has been returned to us for insufficient funds.

Deposit for Filler Procedures

Due to the costs and time allotted for filler procedures, a non-refundable \$200 deposit is due at the time of scheduling. This amount will be applied to your balance due for the procedure. A full refund of this amount will be given if the appointment is cancelled more than 2 business days prior to the appointment date. If you fail to cancel or reschedule your appointment with more than 2 business days notice, this will result in forfeiture of this entire deposit. This forfeiture cannot be applied towards future treatments.

The practice of medicine and surgery is not an exact science, and results cannot be guaranteed. Payment for all services is non-refundable. Also, if complications should develop and further treatment is necessary, you may incur additional costs.

We reserve the right to modify any policies without notice.
